

Dear Partner in Ministry:

We hope you have had opportunity to visit lcefmarketing.com to review the direct-marketing campaigns available for your LCMS-affiliated school. In keeping with our mission to support the Church as a Christ-centered partner, we are pleased also to offer you the enclosed discount certificates for our related services.

We pray that God greatly blesses your school's efforts to share the Gospel of Jesus Christ with the young people in your community!

In Him,

Lutheran Church Extension Fund

Neighbor to Neighbor

Mailing List Service

Reaching Your Community

LCEF's "Neighbor to Neighbor" mailing list service offers your school targeted mailing lists to reach specific types of households in your community:

- Reach households with children in specific age groups.
- Reach parents looking for the type of quality, faith-based education you offer.

Order today and become a beacon of hope, support, and Christian witness in your neighborhood and community!

In Our Community

Demographic Study

*Community Data for Defining
Your Mission*

LCEF's "In Our Community" demographic study combines updated census data, marketing research information, and religious survey data to give you a complete and comprehensive look at the people in your community.

More than a collection of statistical tables, "In Our Community" includes analysis tools and resources to help you get the most use out of the results.

Each study is custom-built for your organization.
